

Government Arts College(Autonomous), Kumbakonam - 612002

Best Practices

2016-2017

- Autonomy was reviewed and extended successfully for next six years.
- Department of Physics conducts national science day every year and publishes a science Magazine named Science Express with contribution from students and staff members.
- Village adaptation camp was conducted by NSS.
- Daily and weekly magazines are subscribed for the students' enrichment of knowledge.
- Orientation program was conducted for all newly admitted UG students in every academic year by the faculty members.
- Female staff members involve voluntarily to look after female students.
- Saplings were planted inside the campus associating with NCC, NSS, YRC and Lions Club
- Mentor system is effectively practiced to explore career, setting goals, developing contacts and identifying resources.
- Seminars and workshops were organised.
- Blood donation camp was conducted twice in a year.
- All the departments are provided with internet Wi-Fi Connection under NMEICT scheme of MHRD.
