

Government Arts College (Autonomous), Kumbakonam- 612002

2018-2019

Procedures and policies for maintaining and utilizing physical and support facilities in the institution:

Government Arts College (Autonomous), Kumbakonam, has been maintaining and utilizing physical, academic and support facilities since its establishment in the year 1854. Since then it has well equipped library and as of now, it has been converted as a modernized library having more than 68000 books and consolidated number of e-books in N-List. Our college has been maintaining well equipped laboratories maintained by laboratory assistants to follow their quality and progression. A separate register is followed for the usage of apparatus and equipment properly and condemned items are replaced annually. Besides, the college has a spacious ground in which volley ball, football, coco, throw ball, basketball, kabaddi can be played. It has been maintained by physical director and physical instructor. Under the supervision of programme officers of various extension activities, the campus cleaning is done once in a month. Sweepers and scavengers maintain the cleanliness in class rooms, laboratories, staff room, office, seminar halls, auditorium and the office of controller of examinations. Lavatories for both male and female are maintained with hygiene by the scavengers. Security guards are appointed from PTA funds for surveillance of the campus.
