Students Satisfaction Survey

2020-2021

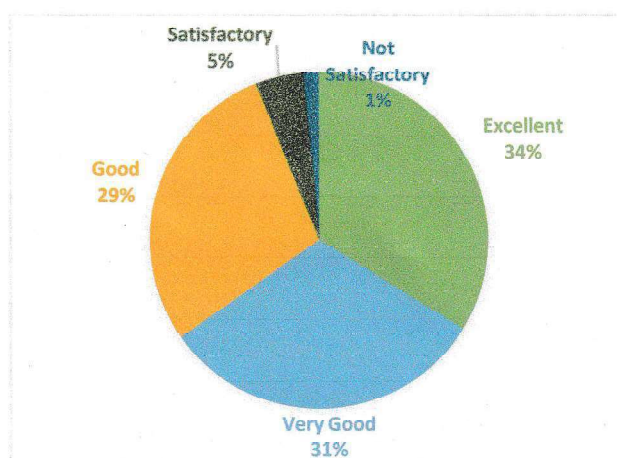

The institution provides quality education to students who are mainly from rural backgrounds. Educating them becomes a herculean task to face the challenges in an effective manner. To ensure consistent improvement among them to fulfill the requirements, we are committed to providing the feedback mechanism from which the survey is done every academic year through online google form mode.

The IQAC takes the initiative to conduct Student Satisfaction Survey at the end of every academic year with the assistance of tutors. The survey is obtained from partial or one-fourth of the total number of students. During the academic year 2020-2021, the survey is done among 328 students from various disciplines. The analysis is compiled into a survey report which is submitted to the teachers' council for review. Council reports and recommendations regarding improvements and requirements will be concentrated by the IQAC committee from the feedback obtained from the students. The online mode of data collection ensures the speedy acquisition of information and also prompt analysis. The consolidated analysis and the findings are as follows.

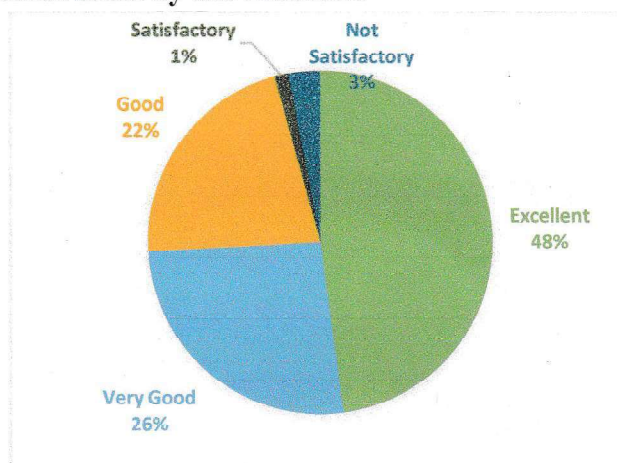

1. Curriculum design promotes to pursue of research/ higher studies:

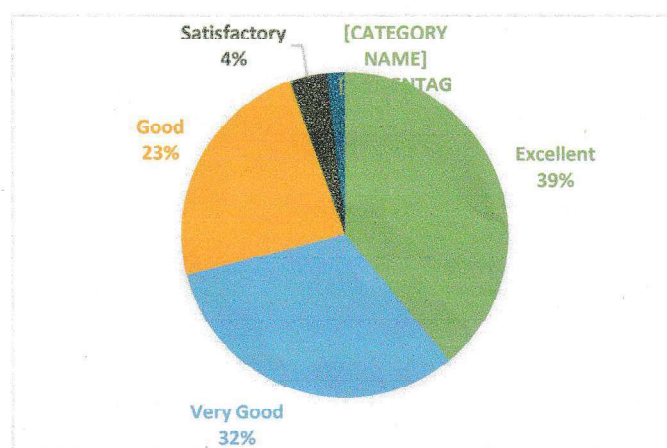

2. The programmes/courses promote employability, entrepreneurship, and skill development

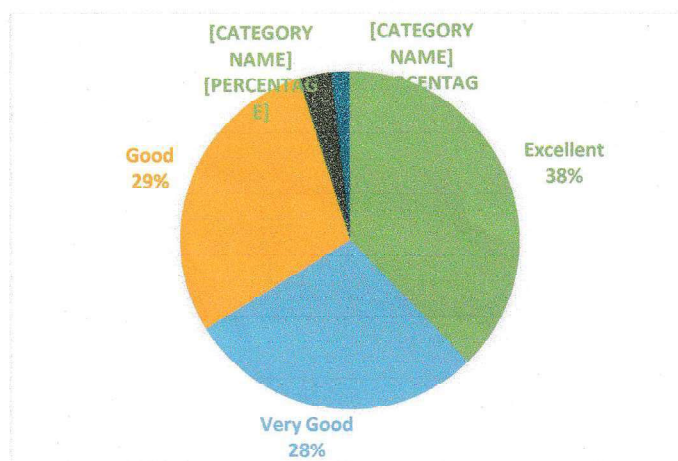

3. Counselling and motivation by the teachers:

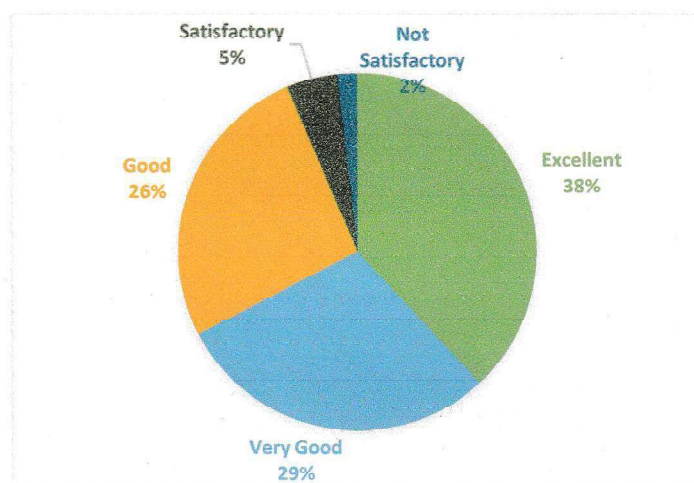

4. Teacher-Students interaction in classrooms

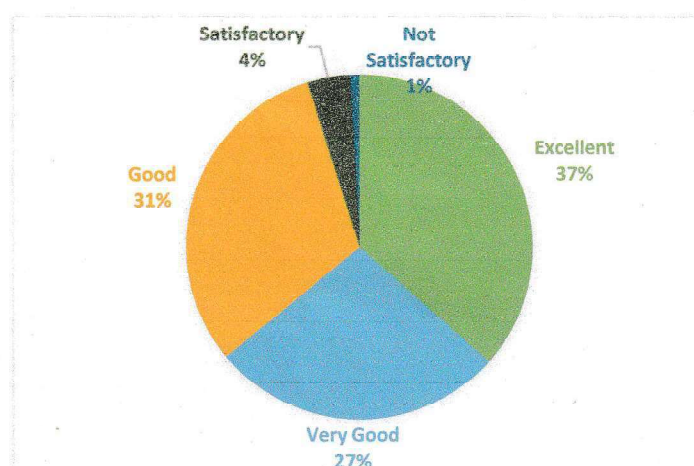

5. Career orientation and guidance

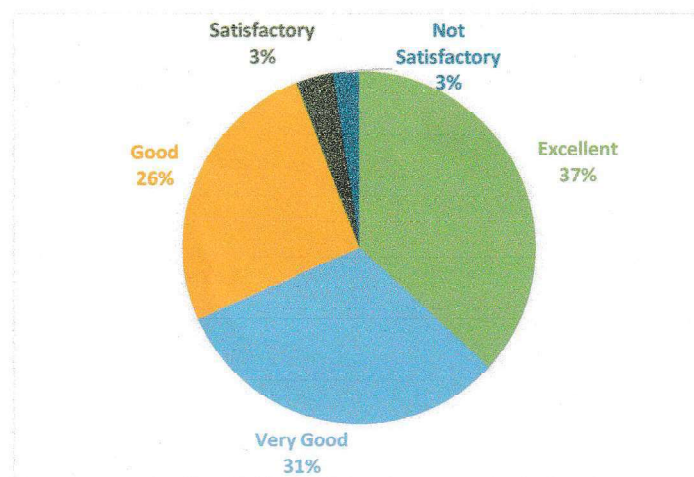

6. The transparency of the Examination System

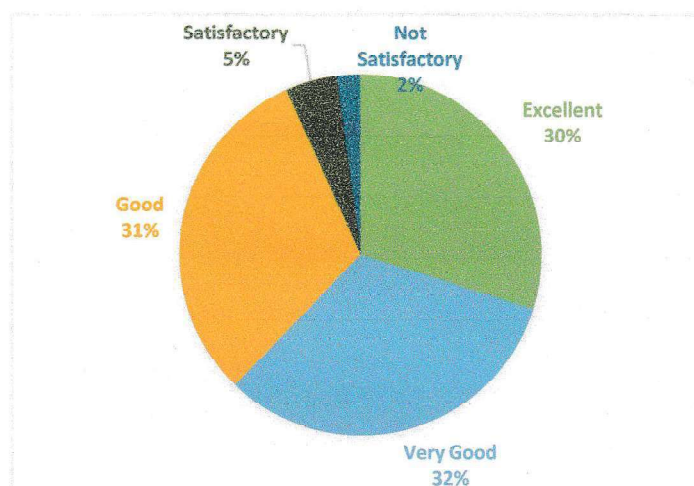

7. Continuous Assessment components like internal marks, Seminars conducted, Assignment given, and marks for Attendance

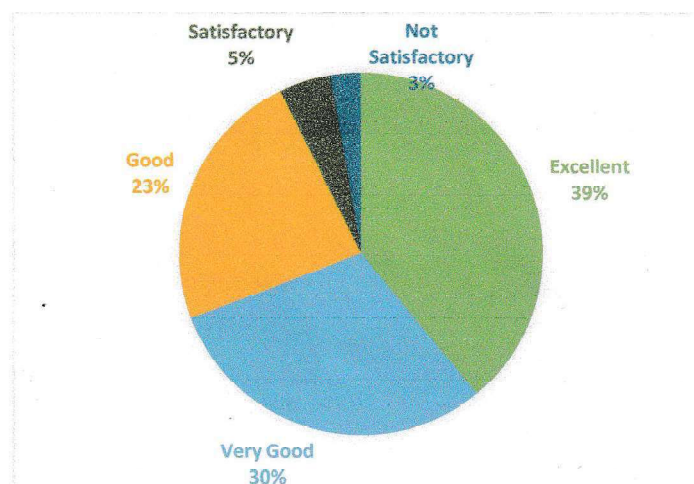

8. Library resources

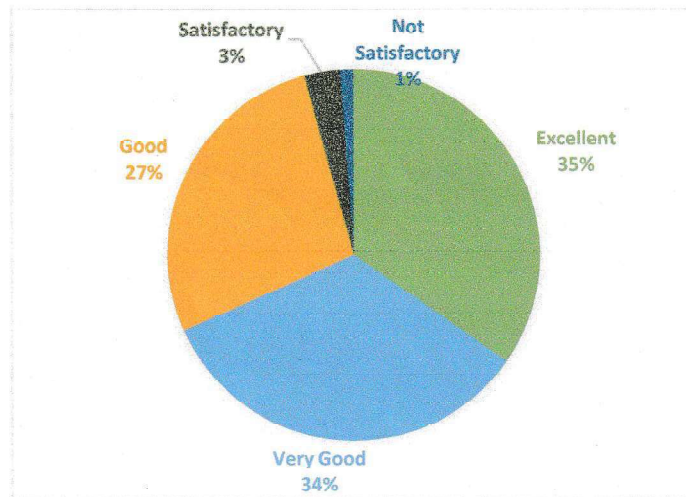

9. Infrastructure facilities-class rooms, Internet, Laboratories, ICT, etc.

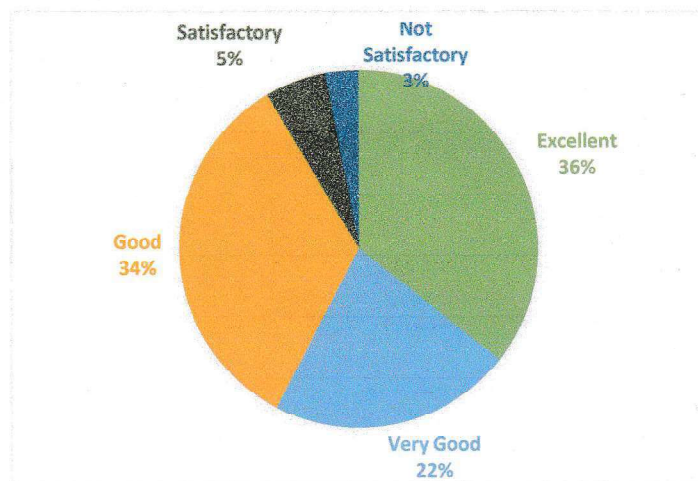

10. Extra-curricular activities like NCC, NSS, SSL, etc.,

11. Admission process

12. Sports Activities

Conclusion:

The combined analysis of the twelve headings shows that around 94% of the students are highly satisfied with the academic activities of the institution. Even though only 6% of the students have given just satisfactory responses, we will sort out the necessary things to reduce that percentage still further.
